An act to amend Section 12001 of, and to add Section 12043 to, the Penal Code, relating to firearms.

LEGISLATIVE COUNSEL'S DIGEST

SB 59, as amended, Lowenthal. Firearms: loss and theft.

Existing law defines "firearm" and provides that for certain purposes, including certain offenses, "firearm" includes the frame or receiver of the weapon.

This bill would provide that the term "firearm" includes the frame or receiver of the weapon for purposes of the offense of failure to report a stolen or lost firearm.

Existing law generally regulates the possession of firearms.

This bill would make it an infraction for any person whose handgun is stolen or irretrievably lost to fail, within 5 working days after his or her discovery or knowledge of, or within 5 working days after the date he or she should reasonably have known of, the theft ~~of~~ or loss, to report the theft or loss to a local law enforcement agency of the jurisdiction in which the theft or loss occurred or in which the person resides. The bill would require specified notices of this requirement to persons acquiring handguns after ~~January 1, 2006~~ *July 1, 2007*, as specified. The bill would provide that local governments are not

prohibited from enacting ordinances imposing reporting requirements that are more strict than those specified in the bill. The bill would require the Attorney General, in cooperation with law enforcement agencies and firearms related organizations to develop a protocol for the implementation of these provisions, as specified, on or before April 1, ~~2006~~ 2007.

By creating a new crime, this bill would impose a state-mandated local program.

~~This bill would incorporate additional changes to Section 12001 of the Penal Code proposed by AB 1060, to be operative if this bill and AB 1060 are enacted and become effective on or before January 1, 2006, and this bill is enacted last.~~

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.
